

CasArte El Hierro

RESIDENCY PROGRAM - APPLICATION FORM

INSTRUCTIONS

Residencies at casArte typically range between 2 and 12 weeks in length and are offered in spring (Feb 15 to June 25) or autumn (Sep 15 to Dec 5). If you would like to stay for a shorter or a longer period, please do not hesitate to speak to us.

Summer residencies are reserved for participants in the Bimbache openART Festival. If you are interested in this, please visit www.bimbache.info.

Please note that applications must be complete, partial applications cannot be considered for admittance. A complete application consists of the following documents:

- **Complete application form** (saved as a PDF).
- **Letter of intent:** A brief statement, explaining why you are interested in casArte. Highlight what you wish to do while at casArte (even if it's just living and breathing) and what you hope to gain from your experience.
- **CV** (formal or informal, including volunteer work).
- **Work sample or link to website:** Send a creative work sample of no more than 10 images, 15 pages, or 10 minutes of video.

All text documents should be PDF, all images should be JPEG / JPG. Files must be under 10MB total if sent by e-mail.

If your data exceeds 10MB, please send a download link (e.g. Dropbox or WeTransfer). It is recommended you upload videos to a web-streaming site such as YouTube or Vimeo (can be password protected).

Please send your complete application to the residency coordinator Sabine Willmann at sabinwill@gmail.com with copy (cc) to info@bimbache.info.

There is a one time administration fee of 30 € if accepted for the residency. Payments must be received before arrival date.

Residents are asked to contribute a minimum of 50 € per person, per week. However, financial uncertainty is no reason not to apply.

It is our aim to offer our space to people from all backgrounds so please let us know if the fee is a concern for you and we will try to find a way.
